A Proclamation Recognizing
The Mayors' Partnership for Progress
on the celebration of its 20th anniversary

On behalf of the people of Ohio's Sixth Congressional District, I am pleased to recognize the Mayors' Partnership for Progress on the celebration of its 20th anniversary.

Since 1995, the Mayors' Partnership for Progress has brought together mayors and city managers from cities and villages throughout Appalachian Ohio. The Partnership's goal has been to share resources and information in order to tackle common issues faced by area municipalities.

The Mayors' Partnership for Progress not only provides for better governmental cooperation on the local level, but also enables the region to better voice its needs to state and federal legislators. This means that the Partnership successfully contributes to serving its constituents on every level of government.

Thus, with great pride, I congratulate the Mayors' Partnership for Progress on its 20th anniversary, and hope that it will continue its commendable mission into the future.
